

Why we started!

I was hungry to be part of a Christian motorcycle ministry that was made up of Christians that were true "Warriors" in the battles that are always present as one becomes closer to Christ.

I was searching for a Christian motorcycle ministry whose members did not flee from challenges, run from ridicule, fear persecution or hide from conflict, but stood tall and willing to fight for Christ.... every time!

We have rules, guidelines and pre-requisites that are designed to help our brothers and sisters be prepared for battle and have the armor needed to remain in the fight. If you think that this ministry is just about a patch, your wrong!

A member of "Warrior of Faith" walks out their faith by ministering to all lost souls, serving those in need, remaining strong through intense fellowship with other brothers and sisters and most importantly, through it all keeps their focus on Christ! God bless.

.....Brian (Taz) Founder

Do you have what it takes,

Are you a Christian?

Do you love to ride motorcycles?

Join us in our quest to help all Christians grow to enjoy a deeper relationship with our Lord and Savior Jesus Christ, and through that relationship experience all the gifts the Holy Spirit has in store for us.

Ride with us and publicly proclaim your Faith!

What is a WARRIOR OF FAITH...

First and foremost we are a group of men and women that believe Jesus Christ is our personal savior, that shed his blood and died for our sins.

We all have an internal passion to keep getting closer to Christ, and a desire to break all the chains that bind us to sin by constantly growing in our walk with Christ and outwardly reflecting that by our actions (James 2:18)

Who do we help: - "Warrior of Faith" will help any Christian or non-Christian to either begin a relationship with Christ or help develop a deeper more personal relationship with our Lord and Savior.

We do this through our "Warrior Rides", bible study, youth ministry, senior ministry, fund raisers for a person, family or worthy cause in need, or any other ministry that is placed on the heart of one of our members.

"Warrior of Faith" members will also attend and sponsor events to help spread the word of God.

Being a "Warrior of Faith", is all about walking out our faith consistent with the will of God.

We all stumble and fall . We all face obstacles, challenges and temptation that sometimes seem impossible to overcome, but with God all things are possible!

If you have chosen Jesus, you are already a WARRIOR" ! Put on all the armor of God (Ephesians 6: 10-20) and be prepared for battle.

Fight on my brothers and sisters, fight on for Christ!

*Our enemy is always present.....
The battle never stops.....
The fight will always be there..... The scars will seem
deep and the pain unbearable.*

*Just remember, "VICTORY" is yours,
bought by his blood!*

*Fight on my brothers and sisters!
